

Listening to K-Love is a daily activity my whole family enjoys together. As a resident in my community, I count on their reports regarding local events in my community that we use to plan participation in various wholesome activities. If this station was replaced, there would be a severe loss to my community. The positive and family-oriented broadcasting contributes greatly to my family and many in this area! Please do not let LPFM stations have priority over national station such as K-Love!
